INSTITUTIONAL DISTINCTIVENESS

2022-2023

Skills And Trainings

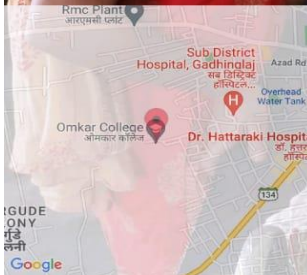

The vision and mission of Omkar Shikshan Prasarak Mandal's Arts Commerce and Science college, Gadhinglaj emanates from the farsightedness of the visionary founder. The vision is to provide education to deprived class, economically weaker and rural students. The institution's focus has been to impart quality education coupled with overall development of the students. As students of our college manage household work, farm work and attend college. Most of them are first generation learners. So, our institution makes continual efforts to fulfill its social responsibility towards rural students to pursue higher education and achieve greater success both professionally and economically. Through proper planning and strategies, the institution focuses at delivering to its best ability, the vision of the college, the problem of unemployment is evident among educated youth. Therefore, the need of skill-based system of education is becoming more relevant in present times. A couple of important initiatives has been taken at the institution for enhancing the skill set in students to meet the requirement of the current environment.

Our institution has introduced career-oriented course for skill training of students that provide certifications to the students in diverse areas like Proof Reading, Anchoring, Narrating, Reporting and Announcing and Mehendi. All these courses increase confidence and make them self-employed. Moreover, students are encouraged to participate in skill training program imparted by Department of Home Science under Learn and Earn Scheme and Hands on Training Program

for personality development, Life Skill (Self Defense) and entrepreneurship. The institution conducts one month Career Oriented Certificate Program. The distinctiveness of the institution lies in the fact that the course is designed by the faculty members of the college in consultation with the experts of the respective fields. In these courses the students are not only provided with theoretical knowledge but more emphasis is given on developing practical skills. The department of Home Science encourages students to participate in workshop based on various culinary skill and entrepreneur skills under Learn and Earn Scheme. The students are imparted knowledge, skill with practical approach, which are a valuable resource that pave a new career path for personal development and be a self-employed person and get job as culinary professional. Our mission is to equip our students with the skills and knowledge necessary to succeed in the fast paced and the dynamic world of culinary arts like Biscuit and Cake making, Ice-Cream making, Pickle making, Groundnut Laddu and Pakora making. All these culinary skills set help students to run a profitable small-scale business, for self-consumption and be a part of Self-Help-Group. Hands on Training Program are arranged by various committees and cells that include Smart Girl Program launched by Bhartiya Jain Sanghatna which seeks to empower adolescent girls and young women to lead a positive life. Campus Bazar is organized to provide a platform to learn marketing skill and entrepreneurship skill. It was a huge success as our students were able to sell their agricultural products. Karate training was given to students to promote self-defense in girls and boys and also develop well balanced mind and body.
